At **JR Services** we take pride in delivering high-quality, dependable services to both **residential** and **commercial** clients. Whether you need routine maintenance, a one-time fix, or something more specialized, we're committed to exceeding your expectations with our attention to detail and personalized approach. Every project, big or small, is treated with the utmost care, and we focus on making your space as clean, safe, and beautiful as possible.

Our Services Include:

1. General & Deep Cleaning (Residential & Commercial):

We understand that every home and business has unique cleaning needs. Our cleaning services include:

- **Routine Cleaning:** Regular cleaning of floors, surfaces, bathrooms, kitchens, and more to maintain a fresh and inviting environment.
- **Deep Cleaning:** A more thorough, intensive cleaning that targets hard-to-reach areas, baseboards, window sills, and deep stains. Perfect for spring cleaning, move-ins, or post-construction clean-ups.
- **Specialized Cleaning:** We offer customized cleaning based on your needs—whether that's a deep clean after a renovation or before a big event, we tailor our service to meet your requirements.

2. Special Requests & Custom Jobs:

We know that every property has its own set of needs. If you have a unique request, we're happy to help. Some examples include:

- **Post-Construction Cleaning:** Dust and debris are often left behind after construction. We thoroughly clean the space, making it move-in ready.

- **Event Preparation or Cleanup:** If you're hosting an event, we can prepare your space, ensuring it's pristine for guests or clean it up afterward.
- **One-Time or Occasional Services:** Whether it's a single cleaning session or a more specialized task, we are flexible and can accommodate various types of requests.

3. **Yard Work & Landscaping:**

Our yard care services are designed to keep your outdoor spaces looking their best throughout the year:

- **Brush Cutting & Clearing:** Overgrown areas, fallen branches, or invasive plants? We clear it all. Whether it's clearing a small lot or tidying up a large commercial space, we can handle it.
- **Grass Cutting & Weed Wacker Work:** Regular mowing for residential lawns, as well as more detailed trimming and edging to maintain clean and neat lines.
- **Hedge & Shrub Maintenance:** Trimming of hedges, bushes, and shrubs to keep your yard neat and well-maintained.
- **Seasonal Cleanup:** We assist with raking leaves, removing fallen debris, and preparing your yard for seasonal changes, ensuring your lawn stays healthy and tidy.

4. **Small Dump Runs:**

Whether you're decluttering your home or clearing out space at your business, we'll help you remove unwanted items:

- **Household Cleanouts:** Get rid of old furniture, broken appliances, or anything that's just taking up space. We'll haul it away safely and responsibly.
- **Commercial Cleanouts:** Office spaces, storage units, or retail environments—no matter where the clutter is, we'll clear it out and dispose of it properly.
- **Eco-Friendly Disposal:** We prioritize responsible disposal methods, recycling where possible and ensuring that items go to the correct disposal facilities.

5. **Residential & Commercial Snow Removal (No Plow Work):**

Winter can be tough on your property, but we're here to help you stay safe and accessible all season long:

- **Driveways & Walkways:** We clear snow and ice from small driveways, walkways, and entryways to keep your property safe and accessible
- **Salt Application:** We provide salting services after snow removal to prevent ice from forming, helping keep your property safe during freeze-thaw cycles.

6. **Limited Home Repairs & Minor Carpentry:**

From small fixes to custom builds, we offer a variety of home repair and carpentry services:

- **Deck Repairs & Painting:** We handle everything from minor deck repairs and builds to complete repainting and staining, ensuring your outdoor space stays looking fresh.
- **Fence Building & Repairs:** Whether you need a brand-new fence or minor repairs to an existing one, we'll ensure your property is secure and visually appealing.
- **Small Repairs:** From fixing doors, windows, and drywall, we're equipped to handle a range of small repairs to improve the overall function of your home or business.

Why Choose Us?

- **100% Tr'ondëk Hwëch'in-Owned:**

As a proud **Tr'ondëk Hwëch'in-owned** business, we bring a deep sense of community and responsibility to everything we do. We are committed to sustainable practices, local economic growth, and giving back to the community.

- **Versatile & Reliable:** Whether you're a homeowner looking for regular yard maintenance or a business in need of a quick clean-up, we have the skills and experience to handle projects of any size.
- **Customer-Focused:** Our approach centers around you. We take the time to understand your specific needs, provide transparent communication, and work closely with you to ensure you're satisfied with the results.
